LOOK! 

- ¿Por qué cuando escribo una fecha en inglés en número lleva unas letritas arriba?

Esto sucede porque en inglés para hablar de fechas (dates) usamos números ordinales (Ordinal numbers), como bien la palabra lo dice, estos números expresan orden (Por ejemplo: primero, Segundo, tercero, cuarto y así..). Esas letritas que veo arriba del número son las dos últimas letras de la palabra que utilizo para designarlo. Veamos:

ORDINAL NUMBERS

1st FIRST

21st TWENTY FIRST

31st THIRTY FIRST

2nd SECOND

22nd TWENTY SECOND

3rd THIRD

23rd TWENTY THIRD

Menos los números que llevan 1,2 y 3 al final (los vistos más arriba) todos los demás llevan TH. Por ejemplo : 9th (ninth) , 12th (twelfth) , 15th (fifteenth), 20th (twentieth), etc.

- 2- ANSWER ABOUT YOU, YOUR FAMILY AND FRIENDS (Write the date in letters too- escribo la fecha en letras también. Por ejemplo: I was born on 19th (nineteenth) August 1979)

- When were you born? I was born on
- When was your best friend born? He/she was born on
- When was your grandpa born? He
- When was your cousin born? He/she

- 3- PLAY AND BREAK YOUR OWN RECORD. (Juega las veces que sea necesario y rompe tu propio record)
