Last Winter holidays, I went to Bariloche with my family. We stayed in a beautiful hotel near The Nahuel Huapi Lake. In the hotel, there were many interesting places. There was a Spa room and a Gym .My favourite place at the hotel was a big restaurant in the top floor. There weren't any waiters in the restaurant because it was a self-service restaurant. We went to the beach and saw the crystal water lake.The beach was covered with small colourful stones all along. It was amazing! There were many people on the beach. We enjoyed our holidays very much!

Stay=hospedarse
 Self-service= autoservicio
 Waiter=mozo/mesero
 Top floor=último piso
