SEMANA DEL 2 DE NOVIEMBRE

Hi there! My name is Felipe. In 2000, I lived in the capital city of Colombia, Bogotá, with my family. My house was big and my bedroom was big, too.

Look at the photo of my bedroom.

There was a desk in front of the bed.. There were some posters on the Wall.

There were some books on my desk and some more in the bookshelf.

There was a slipper under my bed. There was a backpack between the ball and the little table. There were three shelves over the bed.

I loved my bedroom very much!

Now, we live in Medellín. We moved here in 2004.

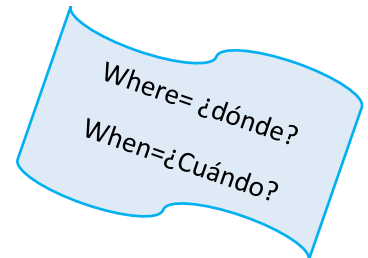

I like my new house but it is much smaller!
