

SEMANA DEL 2 DE DICIEMBRE

1- Read and write T of F (true or false).

Hi everyone!

I'm Jacob Winfrey and I'm ten years old. I'm from Australia. I live in Sydney with my parents and my two little sisters. They are twins! I have got a parrot and a dog, too. My best friend is Liam. Together, we go to school and we really enjoy our Music class because we can play the guitar there. We want to be in a band one day. What about you? Do you play any instruments? In my free time I love surfing. This is a picture of me in the sea. I also like running. I run for the school team and we won many trophies! My favourite day of the week is Friday because we have Spanish class and I really like talking in Spanish, but I hate History because it is boring.

Well, that's all about me for now.
